

Piedmont Park Arts Festival: August 16th and 17th

The Atlanta Foundation for Public Spaces is proud to announce the Fourth Annual Piedmont Park Arts Festival coming up August 16th and 17th in Atlanta, Georgia.

Named a Top 20 Event, this is the ideal summer festival to enjoy the outdoors, browse for irresistible art and crafts as well as appreciate the beauty of Atlanta's largest park. Visitors will enjoy a wide variety of art and crafts from over 250 local and regional artisans and craftsmen. In addition, the festival will include a children's area, local food and beverage concessions including "gourmet" food trucks and live acoustic musical performances all weekend. Best of all, the event is entirely free to attend!

Visitors will also enjoy our second attempt at breaking the Guinness World Record for the Longest Chain of People to Pass a Hula Hoop! Make sure to bring out family and friends to help us make history with this exceptionally fun team building activity.
