The [Piedmont Park Arts Festival](#) will take place on August 16 and August 17 this summer in Atlanta. This event will give residents of [Mount Vernon Flats](#) the opportunity to get to know the Atlanta visual arts scene and to show their support for area artists.

This year's festival will be the 5th annual arts festival held at Piedmont Park. The event will begin at 10 a.m. on Saturday, August 16, and event attendees will have the opportunity to buy works amid one of the most active art buying areas of the city. The goals of the festival include contributing to the area via art, giving artists the opportunity to create a festival for other artists, and bring together artists from both all over Georgia and all over the country. The Atlanta Foundation for Spaces will be organizing the event, and proceeds will benefit local charities and scholarship funds.
